Subject: Part number for "LCD Adhesive Sheet" and "LCD901"						

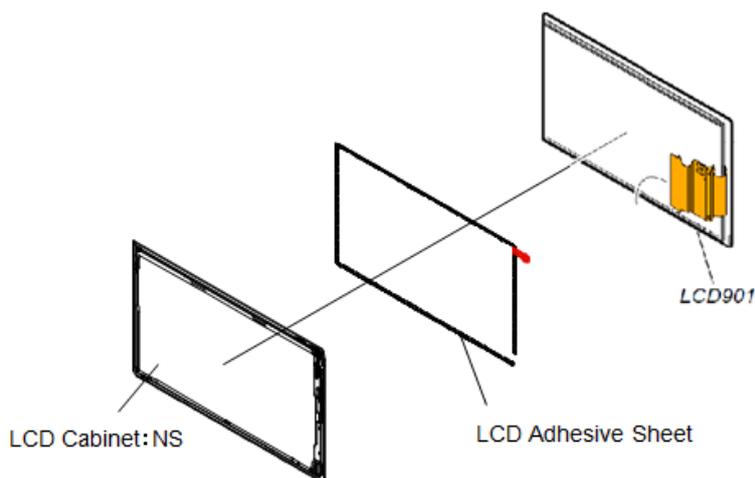

## SYMPTOM

The "LCD Adhesive Sheet" and "LCD901" have been introduced for service.

## SOLUTION

The new parts can be ordered with the part number info below.

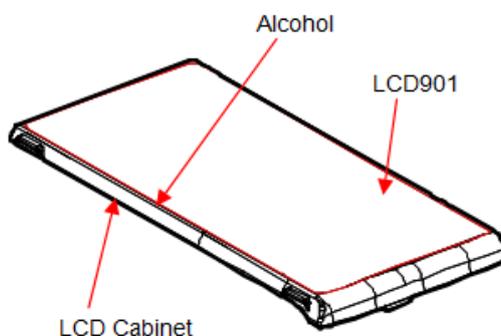

Description	Part number
LCD Adhesive Sheet	4-186-508-01
LCD901	8-753-335-38

Follow the guidelines below for proper removal / reattachment of "LCD901".

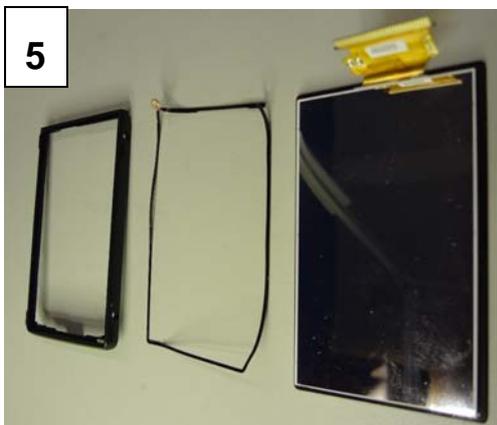

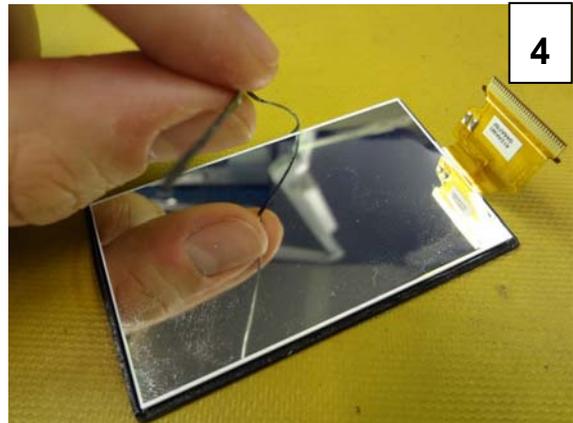

### • 1. How to remove LCD901?

1-1. Let alcohol infiltrate along the edges of the panel assembly (red line in picture below).

1-2. Remove LCD901 carefully so as not to damage the LCD Cabinet.

NOTE: An illustrated procedure on how to remove the LCD901 can be found on the next page.

- **2. How to reattach LCD901?**

2-1. Attach the LCD Adhesive Sheet to LCD901 as shown to the right.

NOTE: Make sure the edge of the sheet does not protrude from the LCD901.

2-2. Attach LCD901 to the LCD Cabinet.
